1a. Table of awarded Special Item Numbers (SINs):

334290 - Security and Detection Systems - Includes security and detection systems and devices, such as gas detectors, pressure level monitoring, patient/detainee monitoring systems, etc.

334290L - Physical Access Control Systems (PACS) - Legacy SIN - Includes physical access control systems (PACS), such as card-controlled access, biometrics, security barriers, etc. Includes non-FIPS physical access control systems.

OLM - Order Level Material - OLMs are supplies and/or services acquired in direct support of an individual task or delivery order placed against a Schedule Contract or BPA. OLM pricing is not established at the Schedule contract or BPA level, but at the order level. Since OLMs are identified and acquired at the order level, the ordering contracting officer (OCO) is responsible for making a fair and reasonable price determination for all OLMs. The value of OLMs in a task or delivery order, or the cumulative value of OLMs in orders against an FSS BPA awarded under an FSS contract, cannot exceed 33.33%.
